Visiting in 2019

Exciting things are happening in Ashford in 2019. Chapel Down Winery opens its new state-of-the-art brewery and visitor centre right in the heart of the town. The Curious Brewery offers a shop, restaurant and bar and is set to become a major attraction for wine and beer lovers.

The Ashford Designer Outlet, a firm favourite with visitors, is due to complete a major expansion. With 130 stores, restaurants and cafes, the centre will become one of the UK's flagship retail centres.

Tenterden remains a typically English charming country town, affectionately known as the 'Jewel of the Weald'. Chock full of antique shops, tea rooms, inns and specialist shops, it's the perfect place to meander, shop and watch the world go by over lunch or afternoon tea.

Biddenden Vineyards and Willesborough Windmill will both be celebrating significant anniversaries too. Family-owned Biddenden Vineyards will be 50 years old and Willesborough Windmill will celebrate its 150th anniversary. Special events will take place during the year to mark these memorable occasions.
